Ontario's Community  
Health Centres  
Les centres de santé  
communautaire en Ontario

August 9, 2011

To the Members of the NFCCHC:

It is hard to believe that the Centre has now been opened for 18 months and already bursting at the seams. We have already accumulated a clientele of over 2,000 and growing. The Centre continues to foster partnerships with other agencies which benefit our clients and the community.

We would like to take this opportunity to thank you for your current membership with the Niagara Falls Community Health Centre. Community based governance is what drives the activities of all Community Health Centres in Ontario. Your participation supports our success. As our Annual General Meeting approaches on September 26, 2011, membership renewal time falls upon us.

For a fee of \$5.00

- Members are entitled to a one-year membership in the NFCCHC.
- For new members, fees must be paid 8 weeks before the Annual General Meeting to have voting rights at the meeting and the opportunity to become a board member. Existing members must be in good standing (membership paid in full prior to AGM).
- Each member shall be entitled to one vote on each question arising at any special or general meeting of the members.
- Members shall receive periodic publications and information.

Please send or bring your membership fee with application before September 26, 2011 to:
