Hourly Wage: $35.4882-38.7851/hr + HOOP pension, and other benefits listed below

About Us:

At the Niagara Falls Community Health Centre (NFCHC), we are more than just a healthcare facility; we are a community hub dedicated to improving the lives of those who face barriers to care. Our innovative, diverse, and inclusive team strives to provide holistic, upstream healthcare to our local community. We believe in fostering a supportive work environment that prioritizes work-life balance, professional growth, and employee well-being.

Why Join Us:

- **HOOPP Pension:** Secure your future with our comprehensive pension plan.
- **Employer-Paid Benefits:** Enjoy fully funded health and dental benefits.
- **Health and Wellness Fund:** Invest in your well-being with our dedicated fund.
- **Professional Development Fund:** Continuous learning and development opportunities with our dedicated fund.
- **Flexible Paid Time Off:** Achieve work-life balance with our flexible PTO options.

Key Responsibilities:

- Assess, evaluate, and develop individualized nutrition care plans for clients, and communicate recommendations to the healthcare team as appropriate.
- Collaborate with clients to understand their health goals, nutritional needs, dietary preferences, and restrictions.
- Provide nutrition counselling and support, including evidence-informed dietary and lifestyle guidance.
- Review and develop dietary recommendations to support the management of health conditions and promote overall health and well-being.
- Collect, document, and monitor relevant client information and track progress toward established health and nutrition goals.
- Provide nutrition consultation to physicians and other healthcare team members to support individualized client care.
- Facilitate programs and educational sessions on nutrition topics aligned with CHC priorities and the needs of the client population.

What We're Looking For:

- Registered and in good standing with the College of Dietitians of Ontario
- Bachelor's degree in relevant post-secondary study (e.g., Dietetics, Nutrition, or related field such as Food and Nutrition, Health Sciences). Masters' level preferred.
- Previous experience in a clinical Dietitian role, family practice or primary health care setting preferred.
- Strong interpersonal and communication skills, with the ability to work with diverse populations.
- Commitment to fostering an inclusive and culturally competent care environment.
- Excellent communication and interpersonal skills.
- Commitment to continuous learning and professional growth.
- Ability to work flexible hours.
- Valid Ontario Driver's License and access to a reliable vehicle.

Additional Requirements:

- Police Reference Check.
